DO No.9-17/2007-CN /19
27th January, 2009.

Dear *Shri. Behura*

TRAI had forwarded its recommendations to DoT on "Issues Related to Internet Telephony" on 18.08.2008. Kindly also refer to my DO letter dated 19.11.2008 emphasizing importance of these recommendations. The decision of DoT is awaited.

2. You may appreciate that further liberalization in the Internet Telephony policy will bring in more competition in domestic telephony market and overall development in the Internet related services. We have suggested a favorable licensing and regulatory regime through our recommendations in order to promote this sector. Therefore, an early decision on these recommendations will enable growth of unrestricted telephony service in the country.

with best wishes

Yours sincerely,

N. Misra
