**Subject: Recommendations on 'Assignment of Additional Spectrum to Indian Railways for its Safety and Security Applications' - reg.**

Department of Telecommunications (DoT), through a reference dated 26.07.2023, requested TRAI to provide recommendations on allotment of additional spectrum in the 700 MHz band to Indian Railways for its safety and security applications.

2. In this regard, TRAI issued a consultation paper on 'Assignment of Additional Spectrum to Indian Railways for its Safety and Security Applications' on 07.02.2024 for soliciting comments and counter comments from stakeholders. In response, eight stakeholders submitted their comments, and three stakeholders furnished their counter-comments. An open house discussion on the consultation paper was held through virtual mode on 03.05.2024.

3. Based on the comments and counter-comments received from stakeholders in the consultation process, and on its own analysis, TRAI has finalized the **Recommendations on Assignment of Additional Spectrum to Indian Railways for its Safety and Security Applications**. A copy of the recommendations is enclosed herewith.

4. In keeping with the practice, a copy of this letter, along with the recommendations, is being placed on the website of TRAI ([www.trai.gov.in](http://www.trai.gov.in)).

**Enclosure:** As above
